INSTRUCTIONS - Calving Report and Registration Application

This form is intended to collect birth information on all calves plus additional data necessary to register calves selected by the breeder.

If the account name and address information at the top of the page is not complete or correct, please note any needed changes. An authorized signature on each form is mandatory.

LINE 1

- DAM TATTOO** - Cow's tattoo. If the dam is unregistered and has no tattoo, enter CCIA ear tag number or the dam's name.
- DAM REGISTRATION NUMBER** - CSA number only. Enter everything inside the '-' characters. For example, enter [CAN]GF600000 when you see X-[CAN]GF600000-.
- DAM DISPOSAL CODES** - If a cow did not produce a calf this year, but she is still on your inventory (not dead, culled or sold), please indicate her status with the appropriate Reason Code:

A- 1 Open, missed calving opportunity	A- 5 Aborted/Premature (use this reason code for cow rather than disposal for calf)
A- 2 Open, moved to next calving season	
A- 3 ET Program/Donor Cow	
A- 4 ET Program/Recipient Cow	

If a cow or bull died, was culled from your herd or was sold, please use the following codes to indicate why:

B- 0 (or Blank) Active - still in herd	B- 8 Culled - age
B- 1 Died after weaning - disease	B- 9 Culled - other
B- 2 Died after weaning - other	B- 10 Sold - purebred breeding purposes/papers transferred
