NORTH AMERICAN LINCOLN RED ASSOCIATION

APPLICATION FOR REGISTRATION (Please use a separate form for each sire.)

BREEDER'S NAME: _____ **ID. NO.** _____ **ADDRESS:** _____

This form may be used for group registration of calves sired by a single bull. It may only be used to register a calf if you were the owner of the dam or embryo at the time of service and birth of the calf AND if you were the owner of the bull or semen at the time of service.

SIRE: _____ **REG. NO.** _____ **BREED** _____

F=Fullblood, P=Purebred, B=BDE**, A=Appendix

Name of Animal (not more than 30 letters including spaces.)	Tattoo		Sex	Date of Birth			Sex of Twin	Service*			Calf Colour/Marks			Horned (H) Polled(P) Scurred (S)			Name of Dam	Dam Breed & Reg. No.	Service Date: D/M/Y (A.I.) or Dates Exposed (Natural Service)	Leave Blank
														F	P	B				
	Calf	Sire		Dam																
	Rt. Ear	Lft. Ear		D	M	Y		Nat.	A.I.	E.T.										

Breeder's Declaration: I hereby declare that the information herein is to the best of my knowledge and belief true. If the application for the above described animal is being submitted to the BDE Registry of the NALRA, I hereby further declare that the breeding of this animal complies in all respects with the provisions of the BDE Program as set out in the By-laws of the NALRA. I am satisfied that outside genetics have been introduced from a fullblood animal of a breed on the Association's Approved Breed List which is solid red in colour, clean polled and has been registered in the Purebred Herd Book of its Breed Association.

X

Owner of the animal at time of birth, sign above

Date

* If service is by A.I., Please attach report of service. For embryo transfers, please attach the embryo reports.

** For BDE animals, attach a copy of the certificate for the non-Lincoln Red parent.
