

CANADIAN LIVESTOCK RECORDS CORPORATION  
**CANADIAN PALOMINO HORSE ASSOCIATION**

**RULES OF ELIGIBILITY**

The following classifications of Palomino Horses will be accepted for registration when approved by the Directors of the Association:

- (a) All Palominos recorded by the Palomino Horse Breeders of America, or the Palomino Horse Association and Stud Book Registry, Inc., of the United States, provided such horses are inspected and passed by inspectors authorized by this Association.
- (b) Animals will be accepted for registration which pass an official inspection and are of proper colour and good saddle type and conformation which have either the sire or the dam registered in the Canadian Palomino Stud Book or in one of the United States Stud Books listed in (a) or which are themselves recorded in the Stud Book of the Palomino Horse Breeders of America or the Palomino Horse Association and Stud Book Registry, Inc.
- (c) A filly foal one year of age or over or a colt two years of age or over of proper colour and good saddle type and conformation, as determined by an official inspection, whose sires and dams are recorded in the Canadian Palomino Stud Book.
- (d) Animals will be accepted for registration which pass an official inspection and are of proper colour and good saddle type and conformation and are by a sire of a breed incorporated under the Livestock Pedigree Act, namely, American Saddle Horse, Arabian, Quarter Horse, Morgan, Tennessee Walking Horse, Hackney, Thoroughbred, Standard Bred and any sire recognized by Palomino Horse Breeders Association and of any other breed approved by the Board of Directors of the Association and the Canada Department of Agriculture.
- (e) Ponies and draught horses, Appaloosa, Pinto, Albino or any other off colour individuals shall not be eligible. Qualifying colour markings will be of a golden body coat, that of an untarnished gold coin. Shades may vary lighter or darker. The body coat shall be free of patches of stain or blackened discoloration, a dorsal stripe or brown or black along the spine, zebra stripes of lighter or darker colour running around the body except white hair if caused by an injury. The mane and tail must be white with not more than 15% dark, sorrel or chestnut hair in either. The eyes must be the same colour and have black, brown or hazel irises. Glass eyes will be disqualified. White markings are allowed only on the face and/or on the legs where white on the front legs shall not extend above a line bisecting (equally dividing) the angle made when the knee is bent. Stocking must be below the knees or hocks except that on the front or inside of the rear legs the white may run to a continuous point up to six inches above the hocks.
- (f) The Board of Directors from time to time and as occasion may require, shall make regulations regarding the inspecting of all horses. The manner in which inspections shall be carried out shall not be inconsistent with the provisions of this Constitution.
- (g) The Board of Directors shall approve eligibility of inspectors who shall be under direct control of the Secretary of this Association and he shall arrange and direct the work of inspection.
- (h) A stallion, mare or gelding, that previously passed inspection and was recorded by the Palomino Horse Association of Canada, may be registered in the Canadian Palomino Stud Book:
  - (1) On presentation of the Certificate issued by the Palomino Horse Association of Canada;
  - (2) By payment of Annual Membership in the Canadian Palomino Horse Association amounting to \$20.00.

**APPLICATION FOR REGISTRATION**

- (a) Applications for the registration of animals previously recorded in the Stud Books of those United States Associations as provided in Section 20 above, must be accompanied by the Certificate of Recording, duly transferred to the name of the Canadian applicant.
- (b) Applications for registration of animals born in Canada must be made by the person owning such animals on forms supplied without charge by the Canadian Livestock Records Corporation. All blank spaces must be filled in, in ink or typewritten, and the form must be signed in ink by breeder, owner, and owner of service sire.
- (c) Applications for registration must be accompanied by two clear photographs of sufficient size to show the animal distinctly. One photograph must show the left side and one the right side.
- (d) No application for registration will be accepted until and unless such application has been signed by the duly authorized inspector, vouching for the acceptability of the horse, in the matter of type, soundness and colour.
- (e) Applications for registration may be made at any time after an animal's birth but inspection and final registration will not be made until stallions have reached the age of two years and mares the age of one year.
- (f) When an animal is a twin, it shall be so stated when applying for registration and the sex given of the animal with which it is a twin. Should a twin be entered upon the record without such statement, no subsequent application for entry of animal twinned with same shall be accepted.
- (g) No two animals shall have the same name.
- (h) The breeder of an animal is the owner or lessee of the dam at the time she was served. The first owner is the owner of the dam at the time the animal in question was born.

**TRANSFERS AND DUPLICATE CERTIFICATES**

1. In case of the sale of an animal, the seller must furnish a certificate of registration in the Canadian Palomino Stud Book, showing the purchaser's ownership. Refusal to do so on any pretext whatsoever, except under written agreement to the contrary, shall be ground for his expulsion, if a member, from the Association, if not a member, further applications for registration or transfers shall be refused.
2. Applications for registration of change of ownership must be made in ink or typewritten on forms supplied by the Canadian Livestock Records Corporation and must give date of sale and date of delivery, and in the case of a female, if bred, service certificate must be completed. Change of ownership will be endorsed on the back of the original certificate of registration which must be forwarded to the Canadian Livestock Records Corporation with the application for transfer of ownership.
3. A duplicate certificate may be issued if the registered owner or his authorized agent files a statutory declaration on a form supplied by the Canadian Livestock Records Corporation, showing in a satisfactory manner that the original is lost, destroyed or unobtainable.
4. The Canadian Livestock Records Corporation shall have authority to accept an application for registration or transfer from the purchaser, provided it is established to the satisfaction of the Canadian Livestock Records Corporation that every effort has been made to comply with the regulations pertaining thereto.
