CHAIRMAN'S REPORT

My term as Board Member and as Chairman has come to an end.

I want to thank all the Board Members I have served with over the years and to thank the management and all the staff at CLRC for everything that I have learned.

CLRC has a unique position in the pedigreed livestock industry and continues to play an extremely important role in the Canadian, and, for that matter, the worldwide market.

With an ever-changing global market, our industry must be able to respond, with change, to our customers' needs. No matter what part of the industry we are in, we all ultimately provide goods and services to a customer.

I know it is the present, and future goal of CLRC to be a part of these changes, to better serve its customers, you the associations.

CLRC will be offering many more services online to members and member associations and will be offering much more information at www.clrc.ca so that your customers can access the data.

It is this leading edge forward thinking that has brought CLRC to where it is today, and that will take it forward in the future. The infrastructure is in place, the management and staff are trained, and CLRC is moving forward.

The integrity of the CLRC registration process will remain intact and CLRC is more than ever available to all associations who require third party registration and associated services.

Bryon Wilson,
Chairman of the CLRC Board.

RAPPORT DU PRÉSIDENT

Mon mandat comme membre du Conseil d'administration et comme président de ce dernier est terminé.

Je veux remercier les autres membres du Conseil d'administration avec lesquels j'ai eu le plaisir de travailler au cours des dernières années. J'aimerais aussi remercier le bureau de direction et le personnel de la SCEA – ils m'ont appris beaucoup.

La SCEA tient une position très unique dans l'industrie de bétail pursang et continue à jouer un rôle très important dans le marché canadien ainsi que dans le marché international.

Dans un marché global qui change continuellement, notre industrie doit se conformer aux changements de nos clients. N'importe le secteur de l'industrie que nous représentons, nous fournissons tous un produit à des clients.

Je sais que c'est le but actuel et futur de la SCEA de faire partie de ces changements afin de servir ses clients, les associations membres, avec efficacité.

Via l'internet, la SCEA va bientôt offrir encore plus de services aux membres des associations membres ainsi que beaucoup plus d'information. Plus de données seront disponibles au www.clrc.ca.

C'est l'idée de toujours progresser qui a mené la SCEA où elle est aujourd'hui et qui va continuer à l'emporter vers le futur. L'infrastructure est en place, le bureau de direction et le personnel sont bien entraînés, alors, il n'y a pas de raison de ne pas progresser.

L'intégrité du processus d'enregistrement de la SCEA reste intact et les services de la SCEA sont toujours disponibles aux associations qui veulent un service d'enregistrement et autres services associés. niveau canadien, ainsi qu'au niveau mondial.

Bryon Wilson,
Président du conseil d'administration de la SCEA

GENERAL MANAGER'S REPORT

As I reflect on the year 2001 at CLRC, I can summarize that it was a year of many positive accomplishments for our organization.

Looking first at the statistics, a total of 94,734 animals were registered, which was an increase of 6% over 2000. In addition there were 27,085 transfers of ownership recorded. In carrying out these transactions, CLRC provided service to approximately 13,500 members of the 52 member associations and 2 U.S. based associations, as well as those breeders utilizing the General Stud and Herd Book and Canadian Identification Project.

A major step forward was the conversion to the new computer system, which took place in May, following several months of programming work, but with only minimal interruption of workflow. At the same time, a major reorganization of the office layout took place in order to bring the members of the registrar teams in closer contact with one another. As the year progressed, the remaining details of the conversion were addressed, and new projects were undertaken; specifically programming for several new associations joining CLRC.

The Canadian Welsh Black Cattle Society joined CLRC during 2001, and a contract was signed with the U.S. based North American Piedmontese Association to maintain its registry. Over the past two years, it has become clear that many breed associations have come to realize the benefits of sharing resources with other associations by joining CLRC, and the important place that CLRC has in the Canadian livestock industry.

The legal situation resulting from the withdrawal from CLRC by Jersey Canada in 1998 came to a conclusion in 2001, and although it did not end in CLRC's favour, the situation is now behind us, and we can look forward confidently to the future.

As CLRC looks to the future, the Board and management have committed to providing significantly increased access to, and information from, CLRC by way of the Internet. On a regular basis, new services are being added to the CLRC website, and this will continue throughout 2002.

I sincerely appreciate the opportunity to serve as your General Manager, and extend my thanks to the Board of Directors for their continued guidance and support, to the loyal staff for their dedication, and to the members and staff of the breed associations for your continued confidence in CLRC.

Ronald K. Black,
General Manager.

RAPPORT DU GÉRANT GÉNÉRAL

En réfléchissant sur l'année 2001, je peux constater que c'était une année qui a marqué plusieurs accomplissements pour notre société.

En premier lieu, les statistiques pour 2001 sont comme suit : 94,734 animaux ont été enregistré (une augmentation de 6% de l'an 2000); 27,085 transferts de propriété ont été effectués. Ces transactions étaient aux noms d'environ 13,500 membres de 52 associations membres et 2 associations américaines ainsi que les éleveurs qui utilisent le Livre généalogique général et le Projet d'identification canadien.

Notre coup de grâce de l'année était la conversion au nouveau système informatique qui a eu lieu au début mai. Il y avait quelques mois de programmation et corrections d'erreurs mais le tout s'est fait avec le moindre d'interruption. Conjointement, le bureau a été réorganisé afin que les registraires puissent travailler de plus proche avec leur co-équipier. Avec la progression de l'année, quelques autres détails concernant la conversion ont été adressés et plusieurs nouveaux projets ont débuté; entre autre, la programmation pour plusieurs associations qui se joignent à la SCEA.

La Société canadienne des bovins Welsh Black s'est joint à la SCEA en 2001 et nous avons signé un contrat avec le North American Piedmontese Association, une association des Etats-Unis. Au cours des derniers deux ans, il est évident que plusieurs associations de race ont réalisé les avantages de partager des ressources avec d'autres associations en se joignant à la SCEA et l'importance de la SCEA dans l'industrie de bétail canadien.

Le cas légal survenu après que Jersey Canada a quitté la SCEA en 1998 a finalement été réglé en 2001 et, même si ce n'était pas en faveur de la SCEA, c'est fini et il faut maintenant progresser.

Afin de continuer dans notre développement, le Conseil d'administration et le bureau de direction de la SCEA ont approuvé la disponibilité de plus d'information via l'internet. Régulièrement, la SCEA ajoute des nouveaux services au site internet – ces ajouts continueront en 2002.

J'apprécie la chance d'agir comme Gérant général de la SCEA et je dois remercier le Conseil d'administration pour leur participation et appui, le personnel dévoué et les membres et personnel des associations pour la confiance qu'ils montrent envers la SCEA.

Ronald K. Black
Directeur Général
