CHAIRMAN'S REPORT

The year 2006 was a successful one for Canadian Livestock Records Corporation. The volume of business in 2006 allowed CLRC to add a small amount to the reserve fund. This was due in part to funding provided to our member associations through the Sustaining the Genetic Quality of Ruminants Program.

Over the past few years there have been many challenges facing registered seed stock producers. With this in mind, both the CLRC Board and the CLRC staff have worked diligently to improve efficiencies while reducing costs. I believe the decisions taken over the past year and plans being put in place will allow CLRC to continue to grow and develop the services we provide.

CLRC provides one of the most respected registry services in the world. It is the goal of the current Board and the CLRC staff to continue to enhance and increase the services provided to the membership. If you have ideas or suggestions on how to improve or increase our services, please contact myself, a director, or Ron Black.

I would also encourage members to make use of the many services offered, such as Marketplace, online registrations, the electronic herd book, equine DNA testing through Maxxam Analytics Inc., bovine DNA testing through Bova-Can Laboratories, French translation and many other services. I would like to take this opportunity to let members know about the reduced cost of Marketplace and the value it offers members as another way to advertise their breeding programs.

CLRC added new member organizations last year and more will be added in 2007. CLRC has been fortunate to have many staff that are long term committed employees. At the end of 2006, Dianne Lance retired after many years of exceptional service and we wish Dianne the best in her retirement.

I would like to thank Ron Black, our General Manager, and the rest of the CLRC staff for their commitment and hard work. I would also like to thank the Board of Directors for their time and dedication, and the guidance that they offer to CLRC.

It will continue to be the focus of CLRC to be a worldwide leader in the efficient and accurate delivery of registration services for our Members as they continue to provide top seed stock to Canada and the world.

Sheryl Blackburn
Chairman

RAPPORT DU PRÉSIDENT

L'année 2006 était un grand succès pour la Société canadienne d'enregistrement des animaux. Le volume de travail en 2006 a permis à la SCEA d'ajouter un petit montant au fonds de réserve, et ce en partie, grâce aux bourses fournies à nos associations membres via le Programme visant à préserver la qualité génétique des ruminants.

Au cours des dernières années, les producteurs de sujets de race ont fait face à plusieurs défis. Tout en respectant ces difficultés dans l'industrie, la SCEA et les employés de cette dernière travaillent sans cesse à améliorer l'efficacité et le service tout en réduisant les coûts. Je crois que les décisions prises au cours de la dernière année et les plans à venir permettront la croissance de la SCEA et le développement des services qu'elle peut offrir.

La SCEA fournit un service de registre sans pareil. Le but du Conseil d'administration actuel et des employés de la SCEA est de rehausser et augmenter les services disponibles aux associations membres. Si vous avez des idées ou suggestions, n'hésitez pas de communiquer avec moi, un des administrateurs ou Ron Black.

Je vous encourage tous d'utiliser les services qui sont offerts par la SCEA – le Marketplace, service d'enregistrement électronique, livres généalogiques électroniques, analyses ADN des équidés par l'entremise de Maxxam Analytics Inc., analyses ADN des bovins par l'entremise des Laboratoires Bova-Can, services de traduction, etc. Veuillez noter que le frais d'inscription au Marketplace a été réduit – il s'agit d'un outil de promotion exceptionnel.

La SCEA a accepté d'autres associations comme membre et d'autres en seront ajoutées en 2007. La SCEA est chanceuse d'avoir plusieurs employés dévoués, et ce, à long terme. À la fin 2006, Dianne Lance a pris sa retraite après plusieurs (45, en fait!) années de services. Nous la souhaitons une bonne retraite!

Je désire remercier Ron Black, notre Gérant général, et les employés de la SCEA pour leur dévouement et leurs efforts. Je désire également remercier le Conseil d'administration pour leur temps et dévouement, et pour la direction qu'ils offrent à la SCEA.

La SCEA continuera dans ses efforts pour être le leader de services de registre précis et efficace, au Canada et ailleurs au monde.

Sheryl Blackburn
Présidente

GENERAL MANAGER'S REPORT

Within this Annual Report for 2006, we detail what was another year of strong performance for Canadian Livestock Records Corporation. The numbers of registrations and transfers processed are slightly above those of 2005, and the financial report shows that the Corporation indeed had a successful year.

In summary, there were a total of 116,918 animals of all breeds registered in 2006, compared to 115,117 in 2005. A total of 22,494 animals were transferred, compared to 21,283 in 2005.

During the year, a contract was signed with the American Galloway Breeders' Association to provide that association with registry services on a contract basis. The programming was completed and processing of their work commenced in July.

As the year ended, an application for membership in CLRC was received from the Canadian Connemara Pony Society, and processing of their work will commence during 2007.

At the same time, the Canadian Maine-Anjou Association terminated its membership in CLRC as of December 31, 2006.

Also, as of December 31, 2006, Dianne Lance, registrar in the horse department, retired from CLRC after 45 years of service, which is a remarkable length of time with one employer. She is definitely missed, but we wish her all the best in her retirement.

I extend my thanks to the loyal staff at CLRC for their dedication, and to the Board of Directors for their leadership and support, as well as to the member associations for their continued support of this organization. Together, we make CLRC the world class organization that it is.

Ronald K. Black,
General Manager

RAPPORT DU GÉRANT GÉNÉRAL

Dans le rapport annuel pour 2006, vous trouverez les détails d'une année de forte performance pour la Société canadienne d'enregistrement des animaux. Le nombre d'enregistrements et de transferts de propriété traité était plus élevé qu'en 2005 et les exercices financiers prouvent que la Société a eu une année pleine de succès.

En résumé, nous avons enregistré un total de 116 918 animaux de toutes races en 2006 – en 2005, nous en avons enregistré 115 117. Un total de 22 494 animaux ont été transféré en 2006 – en 2005, il y en avait 21 283.

Au cours de l'année, nous avons signé un contrat avec le American Galloway Breeders' Association pour leur fournir un service d'enregistrement. La programmation a été complétée et le traitement des enregistrements, etc. a commencé au mois de juillet.

Vers la fin de l'année, nous avons reçu une demande d'admission comme membre à la SCEA de la Société canadienne des poneys Connemara. Le traitement des enregistrements, etc. commencera sous peu.

En même temps, la Société canadienne Maine-Anjou a terminé leur adhésion de membre avec la SCEA en vigueur le 31 décembre 2006.

Aussi en vigueur le 31 décembre 2006, Dianne Lance, registraire dans le département des chevaux, a pris sa retraite après 45 ans de service avec la SCEA – incroyable! Nous nous ennuyons d'elle mais nous la souhaitons tous les bonheurs dans sa retraite.

Je désire remercier les employés de la SCEA pour leur dévouement, et le Conseil d'administration pour leur direction et appuie, ainsi que les associations membres pour leur appuie de cette organisation. C'est grâce à la collaboration de tout le monde que la SCEA est une organisation sans pareil.

Ronald K. Black
Gérant général
