CHAIRMAN'S REPORT

I am pleased to report that once again, CLRC had an increase in units processed in 2011 as compared to 2010. This is the second consecutive year that we can report such an increase. I think that we can take this as an indicator for optimism in the livestock industry in Canada.

One of the major changes at CLRC in 2011 was the Board approval for the creation of a new position. The position of Junior Programmer was filled on Jan. 3, 2012 by Mr. Dwayne Shaver. He will assist the Systems Manager by tending to routine tasks. He will be able to relieve the registrars while they are on vacation or during other absences. As well, he will also assist with programming issues as his time will allow. This will allow the Systems Manager to allocate more time to processing association requirements and these matters will be tended to in a more timely manner. The Board also approved the purchase of new furniture for the office. The new furniture will improve efficiencies as well as giving a more modern look to office.

It has been a pleasure serving as Chairman for the past two years. The Board is comprised of dedicated individuals who spend a significant amount of time on Corporation business. At all times, the main focus is to serve our member associations and others who contract their registrations to us, and find ways to continually improve the services offered to them. Also, the staff, under the direction of General Manager Ron Black, remains committed to providing the best possible service to those who use our services. This allows the CLRC to remain an entity which is held in high esteem both nationally and internationally. As I have completed my term as chairman, I leave with assurances that those that succeed will strive to move the Corporation forward with dedication and integrity.

Respectfully submitted,

Mike Rieberger
Chairman, CLRC

RAPPORT DU PRÉSIDENT

Je suis fier de reporter qu'il y avait plus d'unités traitées par la SCEA en 2011 qu'en 2010. Ceci marque la deuxième année consecutive que nous pouvons reporter une telle augmentation. Je crois que nous pouvons prendre cela comme indice positive dans l'industrie du bétail au Canada.

Un grand changement à la SCEA en 2011 était l'approbation du Conseil d'administration pour la création d'une nouvelle position – celle de programmeur junior. Ce poste a été comblé, le 3 janvier 2012, par Monsieur Dwayne Shaver. Il assistera le gérant du système informatique en lui aidant avec des tâches quotidiennes. Il pourra également assister aux registraires lorsqu'elles seront en congés ou lors d'autres absences. Il aidera aussi avec la programmation lorsque le temps le permettra. Avec cette aide, le gérant du système informatique aura plus de temps à consacrer aux demandes des associations. Le Conseil d'administration a aussi approuvé l'achat de nouvelles fournitures de bureau. Les nouvelles fournitures amélioreront l'efficacité et offrira un air plus moderne au bureau.

Ça me fait grand plaisir de servir comme Président du Conseil d'administration au cours des derniers deux ans. Le Conseil d'administration comprend des individus qui consacrent suffisamment de temps aux affaires de la Société. En tout temps, le but est de servir nos associations membres ainsi que les associations qui sont sous contrat et d'améliorer les services qui leur sont offerts. De plus, le personnel, sous la direction du Gérant général Ron Black, est dévoué à offrir le meilleur service possible. Grâce aux services professionnels, la SCEA est réputée pour sa précision – aux niveaux national et international. Comme mon mandat est maintenant terminé, je suis confiant que le prochain président sera également dévoué au progrès de la SCEA.

Soumis avec respect,

Mike Rieberger

Président, la SCEA

GENERAL MANAGER'S REPORT

The Board of Directors and I are pleased to present this report of the activities of Canadian Livestock Records Corporation for 2011, which was another very successful year for CLRC. Activity in 2011 continued the upward trend that began in late 2009 and carried through 2010. The total volume of work increased by 1.3% from 2010 to a total of 127,274 units. The export market for Canadian livestock, especially swine, continued to be very strong.

In summary, there were a total of 140,871 animals of all breeds registered, identified or recorded in 2011, an increase from 126,050 in 2010. A total of 22,668 animals were transferred, compared to 20,774 in 2010. This work was done on behalf of the 51 active member associations, 4 contract associations and the General Stud and Herd Book and Canadian Identification Project. Membership in the associations totalled 10,756.

I am pleased to report that a number of enhancements have been made to the CLRC website, and more will be made in 2012.

At the time of writing, development of the registries for the North American Peruvian Horse Association and the Peruvian Horse Association of Australasia is nearing completion. During 2011, the Canadian Finnsheep Breeders Association amalgamated with the Canadian Sheep Breeders Association. Regrettably, the Canadian Llama and Alpaca Association left the CLRC membership on December 31, 2011.

I once again wish to thank the breed associations and their Boards of Directors, members and staff for their continuing confidence in CLRC's services, the loyal and dedicated CLRC staff; namely, Glenn Clark, Janet Dundas, Betty Foti, Lisa Hutt, Mavis MacDonald, Laura Lee Mills, Lorna Woolsey and Dwayne Shaver, who contribute so much every day to the successful operation of CLRC, and finally, Mike Rieberger and the CLRC Board of Directors for their continued leadership and support.

Sincerely
Ronald K. Black
General Manager

RAPPORT DU GÉRANT GÉNÉRAL

Le Conseil d'administration et moi sommes fier de présenter ce rapport des activités de la Société canadienne d'enregistrement des animaux pour 2011 – une autre année marquée de succès. L'augmentation dans le volume de travail qui a débuté dans la dernière partie de 2009 a continué au cours en 2010. Le volume total a augmenté par 1.3% depuis 2010 pour un total de 127 274 unités traités. Le marché d'exportation pour le bétail canadien, surtout le porc, continue à croître.

Il y avait un total de 140 871 animaux de toutes races enregistrés, identifiés ou inscrits en 2011 – en 2010, il y avait 126 050. Un total de 22 668 animaux ont été transférés. En 2010, il y en avait 20 774. Ces transactions ont été traitées aux noms de 51 associations membres actives, 4 associations sous contrat, le Livre généalogique général et le Projet d'identification canadien. Il y avait 10 756 adhésions de membres dans toutes les associations.

Je suis fier d'annoncer plusieurs nouveautés sur le site Internet de la SCEA et nous en anticipons encore plus pour 2012.

Actuellement, le développement des registres du North American Peruvian Horse Association et le Peruvian Horse Association of Australasia est presque complété. En 2011, la Société canadienne des éleveurs de Finnois s'est amalgamée avec la Société canadienne des éleveurs de moutons. Avec regret, l'Association canadienne des éleveurs de lamas et alpagas nous a quittée le 31 décembre 2011.

Encore une fois, je tiens à remercier les associations de race et leurs Conseil d'administration, leurs membres et leur personnel pour leur confiance dans les services offerts par la SCEA ainsi que la loyauté et dévouement du personnel de la SCEA; entre autre, Glenn Clark, Janet Dundas, Betty Foti, Lisa Hutt, Mavis MacDonald, Laura Lee Mills, Lorna Woolsey et Dwayne Shaver. Ceux-ci contribuent quotidiennement au succès de la SCEA. Je tiens également à remercier Mike Rieberger et le Conseil d'administration pour leur appuie et direction.

Sincèrement,

Ronald K. Black
Gérant général
